## *Ingredients*

1 cup creamy peanut butter  
½ cup honey  
½ cup coconut oil  
2 cup rolled oats  
1 cup shredded coconut  
1 cup crumbled banana chips (divided)  
1¼ cups dark chocolate chips  
1 tsp vanilla extract  
8 grams mushroom powder

In a medium saucepan combine the peanut butter, honey, and coconut oil. Heat over medium-low heat, stirring until everything's smooth and well-blended. Remove from the heat. Mix in your mushroom powder, stirring until smooth. Mix in rolled oats, shredded coconut, ½ cup crumbled banana chips, chocolate chips, and vanilla extract. Give it a good stir until the chocolate is completely melted and everything is mixed well. Pour the mixture into a parchment lined 8x8 pan and spread mixture out evenly. While still soft top the mixture with the remaining ½ cup of crumbled banana chips. Chill in the refrigerator for about 3 hours. Once firm cut into 16 equal bars. Each bar will contain approx .5g of dry mushroom. Alternatively, you can replace the banana chips with your favorite nut or dried fruit.
